

RULES FOR CROSS-COUNTRY SKIING

- Be considerate of others: **appropriate behavior** is required to avoid endangering others.
- **Direction of skiing:** follow the information boards and ski in the marked direction.
- Choosing ski tracks and routes: on double and multi-lane tracks, **keep to the right side of the track.**
- Overtaking: overtaking is allowed on both the right and left sides. A skier in front does not need to move aside but can do so if it's safe. Poles should be kept close to the body.
- Meeting skiers from the opposite direction: in case of meeting, each skier **must move to their right side.**
- In case of injury or exhaustion, stop at the nearest designated help point or call emergency services at 112. Help others in need.
- Pay attention to the weather and avoid skiing in fog, heavy snowfall, or extreme cold without proper equipment.
